

“Progressive’s Inserted Bar Locks provide perfect alignment for even our largest tools, which perform in harsh conditions.”

Oswaldo Roman, Inland Die Casting Company

ALIGN WITH THE LEADER

When producing tight tolerance parts for the automotive industry, Inland Die Casting Company knows that taking shortcuts today will lead to problems tomorrow. Progressive’s Inserted Bar Locks are designed to go the distance:

- Largest, standard alignment lock in the industry
- Designed for mold weights from 25,000 to 75,000 lbs
- Utilizes exclusive Z-Series technology for longevity

Don’t let inferior components bench your tools. Contact our Engineering team at 1-800-269-6653 to discuss how the Progressive advantage can generate profits for you.
