

One-Stop Source for Date Plugs and Rings

Progressive Components has the widest selection of replacement date rings and plugs anywhere, making us your one-stop source for competitively priced date stamp products worldwide. There has never been a more convenient and complete way to ensure your tooling needs are covered.

Compatibility

Progressive's date stamp products are the most comprehensive, offering innovative features while maintaining compatibility and interchangeability with most popular brands on the market. Plus, our global supply network ensures replacement inserts are available, regardless of where the tool was built and being run.

Engineering Assistance

Need help identifying the correct date stamp style or size, or wondering what type of dater makes the most sense for your application? Our engineering team is available to help. Email us at Tech@procomps.com and we will gladly assist you.

TIME FOR A CHANGE?

Gathering date plugs for year end changeovers can be a hassle. With the variety of styles from different manufacturers in your tools throughout your plant, why not make it easy on yourself? Turn to the convenient one stop source for date marking products... Progressive Components.

Our convenient plug matching template makes it easy to find replacement plugs for other brands and those that are difficult to identify. If you are still having trouble, please call 1-800-269-6653 and a member of our technical team will assist you.

Customer Service

Progressive's Customer Service is second to none. For reorders, customers can call 1-800-269-6653 or email us at customerservice@procomps.com and our team can pull up past orders as well as assist with identifying plugs from other suppliers to help expedite the order process.

"No one matches Progressive Components for service, selection, and pricing of Date Plugs for our annual replacement changeovers."

~ Ernie Young, Delta Mold Inc.

Whether you are purchasing date stamp products for batch identification, quality control or process control, we've got you covered. Turn to the industry's leading date stamp supplier: Progressive Components.

Etched For Identification

One thing is sure: Every center replacement insert from Progressive is laser etched with our information to eliminate guesswork and the frustration it brings from not knowing where to buy the plugs at year-end changeover.
