PRECISION FIT, PROVEN PERFORMANCE

A moldmaker with a mic in hand can easily tell the difference between the precision of Progressive's pins and all others. That quality carries forward to better performance for molders.

- Through-hard H-13 with a surface resistant to wear and galling
- Pin lengths up to 50", and available Keyed and Cut-To-Length
- Ejector Sleeves in new, exclusive lengths: 15", 16", 17", and 18"

As the only full-line supplier that offers no Made in China parts, Progressive delivers unmatched consistency to provide maximum productivity from your injection molds.
